****Scheme A** - Product certification, by testing samples taken by the customer, accompanied by an assessment of the technical documentation and the production process. PCB supervises the product / customer.

****Scheme B** - Product type certification through testing and evaluation of samples, and technical documentation provided by the customer.

**** Scheme C** - Certification of a batch of product, by testing samples taken from the batch and comparing with the technical documentation of the product.

**** Scheme D** - Certification of a unique product on the basis of its technical documentation, certificates and/or protocols from testing of its elements and control during its production / construction. PCB supervises the product.

*** Technical specifications (including only requirements specified in the defined scope of certification and which do not contradict the accepted standards)

I HEREBY ORDER

To issue the Certificate of Accreditation reg. № 4 ОСП from 24.10.2022 valid until 24.10.2026 and this order enclosed as an integral part thereof.

The Certificate of accreditation with the enclosure should be obtained from manager of TECHNOTEST AD, Sofia, and the manager of the PCB or other authorized person in the office of the Executive Agency "Bulgarian Accreditation Service".

Upon the receipt of this certificate and annex, the accredited individual shall return to EA BAS the originals of Certificate for Accreditation Reg. № 4 ОСП/02.08.2021, valid until 23.10.2022 and annex – order of EA BAS № A 472/02.08.2021.

This Order shall be notified to the legal entity/sole within 3 (three) days from its issuance.

Eng. Irena Borislavova
Executive Director of EA BAS
