EXECUTIVE AGENCY
BULGARIAN ACCREDITATION SERVICE

BAS reg. № 47 ЛИ

From: 09.01.2026
Valid until: 29.09.2026

CERTIFICATE OF ACCREDITATION

BUILDING RESEARCH INSTITUTE LTD.
CONSTRUCTION PRODUCTS TESTING LABORATORY

Management address: 1618 Sofia, Ovcha Kupel, 86 Nikola Petkov Blvd.
Laboratory address: 1528 Sofia, Iskar District, 1 Ilia Beshkov Str.

UIC: 121558493

Scope of accreditation

To perform testing of: Mixing water for concrete. Refractory products. Clay raw materials for bricks and roof-tile production. Quartz sand. Cements. Building lime. Limestone/carbonates. Gypsum binders / gypsum and gypsum plasters. Gypsum-based grouts. Gypsum-based adhesives for gypsum blocks, gypsum-based panels and plasterboards, thermal/acoustic insulation composite panels and plasterboards. Concrete paving flags. Concrete curb units. Concrete paving blocks. Natural stones. Slabs for cladding. Concrete roofing tiles and fittings. Concrete. Rendering and plastering mortar. Masonry mortar. Aggregates: for concrete, mortars; light aggregates and fine filler, mineral powder (of natural, manufactured or recycled materials and mixtures - ceramsite, agloporite, shale clay, slag pumice, natural pumice, tuffs, etc.) for concrete and mixture and grout. Aggregates for bituminous mixtures and surface treatments for roads, airfields and other trafficked areas. Aggregates for unbound and hydraulically bound materials for use in civil engineering work and road construction. Granulated blast furnace slag for cement production, use in concrete, mortar and grout. Fly ash for concrete. Silica fume for concrete. Ceramic tiles. Clay masonry units. Calcium-silicate masonry units. Aggregate concrete masonry units. Autoclaved aerated concrete masonry units. Clay roofing tiles and fittings. Bitumen shingles with mineral and/or synthetic reinforcement. Roofing products - corrugated bituminous sheets. Thermal insulating products for buildings, building equipment and industrial installations. Products of mineral wools - (slabs, felt, roll, mats, shells) (MW). Products of Expanded Polystyrene (EPS), Products of Extruded Polystyrene (XPS), Rigid Polyurethane foam (PUR), Expanded perlite (EPB), Expanded Vermiculite (EV), Polyethylene foam (PEF). Flexible sheets for waterproofing – bitumen, plastics, rubber and liquid applied coatings for roof, underlays for roofs and walls, damp proof coatings for wall and underground parts and buildings, water impermeable for tanks, vapour impermeable and vapour-control layers, waterproofing for use beneath ceramic tiling. Products for decorative coatings for internal and external application, polymeric including water-based, paints, varnishes, primers, sealants, renders and plasters based on organic binders etc. Screed material and floor screeds. Floor screeds based on calcium sulphate. Tile adhesives. Reinforcement meshes and sealing tapes made of glass and polymer fibres. Grouts for tiles. Adhesives and base coats for thermal insulation systems. External thermal insulating composite systems (ETICS) based on expanded polystyrene and mineral wool. Products and systems for protection, repair and waterproofing of concrete structures. Hydraulic road binders. Plastic pipes and fittings for systems for: sewerage waters (including ones from buildings, facilities and roads - rainwater, faecal and organic), products, which are not in contact with water for human consumption, products which are in contact with water for human consumption.

ACCREDITED ACCORDING TO БДС EN ISO/IEC 17025:2018

Order № А 4/09.01.2026 is an integral part of the certificate of accreditation, total 13 pages.

Date of initial accreditation: 15.09.2003
Date of re-accreditation: 29.09.2022

REPUBLIC OF BULGARIA

Executive Director:

Eng. Mariya Ilieva-Yordanova
