

EXECUTIVE AGENCY
BULGARIAN ACCREDITATION SERVICE

BAS reg. №: 133 OKA

From: 18.03.2021

Valid until: 31.08.2022

CERTIFICATE OF ACCREDITATION

"TECHCONTROL" LTD

INSPECTION BODY of type A "METAL CONTROL"

Management address: 6000, Stara Zagora, 100 General Stoletov Str., entr. A, floor 8, flat 32

Office address: 6078, village of Opan

UIC: 123728663

Scope of accreditation

To perform inspection of:

Pressure vessels, gas equipment and installations, steam and hot water pipelines; high and low pressure boilers; steam turbines and elements thereof; machines, equipment, constructions and elements thereof, containing sheets, rolled metal, welded joints, castings, forgings by: radiographic control; ultrasonic control; magnetic dust control; capillary control; visual control;

Pressure vessels, gas equipment and installations, steam and hot water pipelines; high and low pressure boilers; steam turbines and elements thereof; machines, equipment, structures and elements thereof: Ultrasonic control of wall thickness;

Pressure vessels, gas equipment and installations, steam and hot water pipelines; high and low pressure boilers; steam turbines and elements thereof; machines, equipment, structures and elements thereof, containing sheets, rolled metal, welded joints, castings, forgings - Hardness according to: Shore (HS); Brinell (HB); Vickers (HV); Rockwell (HRB); Rockwell (HRC); Ferrous metals - type and presence of chemical elements; Chromium (Cr); Molybdenum (Mo); Vanadium (V); Elbows from pipelines and heating surfaces - an ovality

Density of the insulating anticorrosive coating of: vessels, pressure vessels, gas equipment and installations, and pipelines; Machines, equipment, structures and elements thereof by electrospark control;

Pressure vessels, gas equipment and installations, steam and hot water pipelines; high and low pressure boilers; steam turbines and elements thereof by gas-hydraulic method of control using foaming compositions.

ACCREDITED ACCORDING TO БДC EN ISO/IEC 17020:2012

Order No. A 158/18.03.2021 is an integral part of the Certificate of Accreditation, total 5 pages

Date of initial accreditation:
31.08.2018

Executive director:

Dipl. Eng. Irena Borislavova
